

Are your virtual meeting this?

When they could be that?

# Virtual Collaboration Tips and Tools

## *Integrating collaboration into your virtual event*

With the current social distancing requirements, virtual meetings are a boon in our life, but also a bane! We have had to rapidly learn how to use tools like Zoom and Teams to carry on our daily work. Most have mastered the basics, but have never go on to explore the full potential.

KMP members will share their experiences using different meeting tools for different situations and share how online collaboration tools can be integrated into virtual events to turn a one way street into a proper conversation.

**Date:** 1 December 2020  
**Time:** 8 p.m. to 9 p.m.

**Place:** Zoom  
**Fee:** Free of charge

Don is a people and organisation development professional and has integrated online collaboration tools into his online training.

KF is a consultant, with a focus on actionable practice around KM and digital transformation. He builds digital solutions for managing knowledge, content, structure & taxonomy.

William is working in the field of compliance engineering for an international company that hold regular virtual meetings with colleagues locally and abroad.

Andreas is an educator who has had to rapidly learn to use virtual meetings to be able to stay one step ahead of his students, both adult and children.
